HQ: India

INDUSTRY: Education and Skill Development

KEY BACKERS: Peak XV Partners (formerly Sequoia Capital India), Apis Partners, Owl Ventures, Jungle Ventures, and Steadview Capital

Leap brings together AI-driven counseling, affordable test preparation, collateral-free education loans, and a community of more than 3 million students across Leap Scholar, Leap Finance, Yocket, and GeeBee. With 15+ global offices, the company supports over 200,000 admissions and supports more than 600,000 learners worldwide, establishing itself as one of South Asia's largest end-to-end study-abroad ecosystems in the international education landscape.
