

Naga Venkata Sekhar Maddula | Lakshmi Sujana Maddula

## Cartoon Movie

**HQ:** India

**INDUSTRY:** Media & Entertainment Technology

Cartoon Movie is building the largest platform for developing and streaming of GenAI-powered cartoon and animation content. Using its patented technology, viewers can generate unlimited, on-demand and personalised episodes and sequels based on their preferred text based story. By showcasing AI-created animations globally, the platform offers creators a unique opportunity for monetization.
