DoWhistle

HQ: USA

INDUSTRY: Hyperlocal Technology

KEY BACKERS: Ranga Jayaraman , Jay Vijayan, Vish Krishnan & Richard Johnson

DoWhistle is a revolutionary, location-based platform that seamlessly connects individuals and businesses in real time. Tailored to address immediate needs and resources, it provides an accessible solution for small size vendors who lack the means for expensive websites while enabling large companies to optimize operations through direct local engagement. With its intuitive interface, DoWhistle facilitates spontaneous, cost-efficient connections, streamlining consumer experiences and driving growth, innovation, and efficiency across a global network.
