

Redinent Innovations

HQ: India

INDUSTRY: Cybersecurity

KEY BACKERS: Cynthia Srinivas, TIH IIT Patna, Nocking Point Advisors LLP, Sunil Kumar HV, Sabyasachi Lenka, Himanshu Verma, Rama Ramakrishna, Tejaswy Appalla, Maneesh Srivastava, Anirudh Balakrishnan, V Praveen Kumar & Cogniphy Angel Fund

Redinent Innovations is one of the fastest-growing IoT startups. It mitigates the growing global cyber threat posed by IoT endpoint devices using unique patented attack surface minimization algorithms. Redinent's automated deep tech platform helps critical infrastructure industries safeguard their digital assets against cyber-attacks and helps secure their digital transformation journey.
