Date: 09/09/2024

NOTICE

The esteemed College Authorities have taken notice of the grave concerns raised by the Resident Doctors' Association of RG Kar Medical College during the Special Council Meeting on September 9, 2024. In a formal letter, it was brought to our attention that they have been engaging in behavior that promotes a culture of intimidation, endangering the democratic atmosphere of the institution. As a result, the following doctors and students in question are required to present themselves positively before the Enquiry Committee on September 11, 2024 to defend their innocence. According to the decision made by the Special Council Committee, access to the institution's campus is restricted for them, unless summoned by the Enquiry Committee. Additionally, participation in college activities is prohibited.
